Awards & Certifications:

Past Experiences:

Amazon Web Services (AWS) - Public Sector Solutions

Since 2014, we have supported Amazon Web Services with their Public Sector Solutions. We have created content to explain the value of their digital solutions for government agencies and supported presentation development for the AWS Public Sector Summit to educate government employees.

NetApp - Public Sector Initiatives & State/Local Government Events

Since 2008, we have supported NetApp in a variety of Public Sector initiatives. We have created Cloud Computing Security Reference architecture and solutions guides, Cloud Storage, High Performance Computing, Security and Public Safety communications to discuss solution offerings, hosted in-person and virtual events to drive conversations with state and local government leaders, and quantified the benefits of NetApp's efforts in the Public Sector marketing by analysis and effectiveness projects.
